

Once upon a time, there was a little girl who lived in a village near the forest. People called her RED RIDING HOOD, because she always wore a red cap and a red skirt.

She had a grandma. Her granny lived in a cottage in a forrest. One day her granny was sick, so Little Red Riding Hood grabbed the basket and went to visit her. She went through the forrest and she met a wolf. „Where are you going?“ the wolf asked. „I’m going to visit my granny,“ Little Red Riding Hood answered. „And where does your granny live?“ the wolf said. „Near here, in this forest,“ „Why won’t you pick up flowers for her?“ „OK, I will“

The wolf ran to the cottage and knocked at the door. „It’s me, Little Red Riding Hood!“ „OK, come in“

The wolf came and ate grandma. Then he waited for Little Red Riding Hood. She came in and asked: „So big eyes you have, my granny!“ „Yes, I want to see better!“

„So big ears you have, my granny!“ „Yes, I want to hear better!“

„So big teeth you have, my granny!“ „Yes, I want to eat you better!“ he shouted, jumped out of the bed and ate Little Red Riding Hood. Then he fell asleep.

A hunter went around. He heard snoring and looked into the window. He saw the sleeping and snoring wolf in the grandma’s bed. He cut his stomach. Granny and Little Red Riding Hood jumped out.
